GENERAL BUILDING PERMIT FEE SCHEDULE NOTES:

1. Unless noted specifically above, all permit fees are based upon the valuation of the construction.
2. **All Plan Review fees paid at the time of submittal are non-refundable.**
3. Building Valuation Data for new construction and additions to existing buildings will be the higher of the following two figures for Building Permit Fee purposes. One is the construction valuation listed on the Building Permit application by the applicant or the other is valuation based upon the current edition of the ICC (International Code Council) Building Data Valuation Fee Table with no regional Multiplier which is based upon the Occupancy Classification and the Construction Type identified on the signed and sealed plans.
4. At the discretion of the Building Official, a copy of the signed contract between the owner and the contractor may be requested at the time of application if there is some question as to the accuracy of the stated amount on the Building Permit Application for any remodel, renovation or miscellaneous permit.
5. All Building Departments are required to collect a 3.0 percent fee on all permits. The minimum amount collected on any permit will be \$ 4.00. The Fee is required by Florida Statutes to be collected in part to fund the Department of Community Affairs (DCA) to fund the Florida Building Commission and secondly to fund the Building Code Administrators and Inspectors Board (BCAIB) and the Construction Industry Licensing Board (CILB) Homeowners Recovery Fund, both part of the Department of Business and Professional Regulation.
