

City of Palmetto Special Event Permit Application

INTRODUCTION

Dear Applicant:

The City of Palmetto recognizes that public events are a vital component of a vibrant community and benefit community residents, event participants, and the event sponsors. A Special Event Permit is required if:

- The use of City streets or sidewalks is requested,
- The use of City equipment or personnel is requested,
- Promotion or sales activities are planned on City property,
- Outdoor events held on City property expecting an attendance of 75 people or more, and
- Indoor events planned in City buildings where no building capacity has been established.

The best way to determine if your event requires a Special Event Permit is to call the City Clerk's Office at 941.723.4570 or send an email to wbeauchamp@palmettofl.org and/or vcochran@palmettofl.org.

If your event will have 300 attendees or less, please fill out Special Function Permit "A" and submit to the City no later than **30 days** prior to the actual date of your event; if more than 300 attendees please fill out Special Function Permit "B" and submit to the City no later than **60 days** prior to your event. If your event requires a significant amount of planning, publicity, or long lead times for publicity and promotion, please submit your application **4-6 months** in advance of the date of the event. Thank you for your interest in holding a special event in Palmetto. It is our goal to assist event organizers in planning safe and successful events that create a minimal impact in the communities surrounding the event. These instructions will assist you in completing your Special Event Permit Application.

PERMIT PROCESS

The permit application process begins when you submit to the City a completed Special Event Permit Application. Keep in mind that acceptance of your application should in no way be construed as final approval or confirmation of your request. Copies of the application are forwarded and reviewed by all affected city departments and/or public agencies. Throughout the review process you will be notified if your event requires any additional information, permits, licenses, or certificates. During our initial application screening process you will be allowed time to provide us with all pending documents (e.g. certificate of insurance, secondary permits, etc.) we must receive these items before issuing a Special Event Permit. Delays in providing these items often delay our ability to complete our review process and approve your application in a timely manner. Incomplete applications will not be processed.

Applications will not be processed until the processing fee is received. Applicants will be required to pay for all costs associated with City services requested as part of the Special Event Permit. Any unpaid balance owed to the City must be paid in full before an event application may be processed.

This application must be filled out completely (with all information attached, maps, security deposit fee for rental of City facility, etc.) and submitted to City Hall at least 30 days prior to your planned event.

If you are submitting an application, a non-refundable processing fee must be paid when the application is submitted. The price depends on the number of events you are submitting in a calendar year:

1-5 events-\$25.00

6-12 events-\$50.00

13+-\$100

Recurring events may be approved individually or in bulk depending on the event. The application will be reviewed by our administrative staff to determine the following criteria:

1. Availability of location and/or facility
2. Compliance with all City Ordinances
3. Charges your organization will incur when City assistance and/or services are required
4. Security requirements

If this event application is approved, the applicant must furnish the City of Palmetto with a certificate of general liability insurance policy at least ten (10) days prior to the event naming the City as an additional insured in the amount of one million dollars (\$1,000,000). Refer to insurance guidelines at the back of this packet.

Once all conditions of approval have been met, a Special Events Permit must be approved by City of Palmetto City Commission. You will be required to have this permit in your possession during your event.

We appreciate your time and interest in planning a successful and safe event in Palmetto. If you need further assistance, call the Events Specialist at 941.723.4570 or e-mail wbeauchamp@palmettofl.org

City of Palmetto

Presents the

Tenant User Liability Insurance Program

How To Guide

Your local government, the City of Palmetto, has enrolled in a program that allows you, the “user” of a municipal facility, school, or other local government property, to secure cost effective liability insurance, which provides protection for you as well as the governmental entity. The Tenant User Liability Insurance Program (TULIP) is a General Liability Policy written in the name of the tenants and/or users of the local government facility or venue. Third-Party Property Damage Coverage is also provided.

The City of Palmetto is a registered user of the TULIP program through the National League of Cities (NLC) and HUB International New England via Entertainment Brokers International. Its assigned unique Venue ID-Code is **0501-BSL**

How it works:

1. Log onto www.onebeaconentertainment.com ... then click on “TULIP (Purchase OR Quote)”
2. Enter the Venue ID-Code listed above or use the venue drop down menu.
3. Select the Event Details or “eligible activity” from the drop down window, e.g. wedding, festival, etc.
4. Answer the 4 questions.
5. Select the date range for the event on the calendar by clicking on the day of event (if multiple dates, select all of these).
6. Name Event...then click on yes/no for Liquor Liability...then add Average Daily Attendance...then answer the next 4 questions (if applicable).
7. At this point you are able to “GET QUOTE”.

If you would now like to proceed and purchase the coverage, please complete the requested *Contact & Credit Card Information*, and coverage is automatically bound.

When you purchase coverage, a Certificate of Insurance is issued and sent via email, in your Name or Organization’s Name, with a Certificate automatically sent via email to your local government.
